California Department of Education School Accountability Report Card Reported Using Data from the 2014-15 School Year

Published During 2015-16

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians, and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement - Most Recent Year

Alpha Charter High School is a site-based program, where students attend school each day. Students enrolled in our program complete their studies under the direction of credentialed teachers, charter school facilitators, on-line courses and teachers, and parents. Students complete their courses at school as well as in their home environment.

Students attend school 180 days each year, paralleling the Elverta Joint School District calendar. Learning Lab, Magnet Activity, break and lunch times are scheduled throughout the day (please see "School Hours" below). Each school day features direct instruction, learning lab, and magnet activities. While it is possible students to complete much of their work during their school day, it is required that students complete 1-2 hours of homework each night. Students and Parents are responsible for the completion and quality of all academic courses.

It is our commitment to provide the highest quality instruction and guidance to families who desire to educate their student in engaging magnet programs in a unique and flexible format.

The mission of Alpha Charter High School is to provide a flexible and personalized learning program that enables students to achieve success in academic endeavors. We support students in their personal goals and prepare them for a variety of post-graduation opportunities.

Alpha Charter High School is dedicated to providing students with a vigorous online education that will encourage them to become self-motivated and disciplined learners. Teachers guide students using an individualized and collaborative approach that encourages students to become advocates for their educational success.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Misassignments and Vacant Teacher Positions

Indicator	2013-14	2014-15	2015-16
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English learners.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP], Science California Standards Tests); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

California Assessment of Student Performance and Progress Results for All Students (School Year 2014-15)

Subject	Percent of Students Meeting or Exceeding the State Standards		
	School	District	State
English Language Arts / Literacy (grades 3-8 and 11)	--	24.0%	44.0%
Mathematics (grades 3-8 and 11)	--	21.0%	33.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. Double dashes (--) appear in the table when the number of students tested is ten or less.

School Safety Plan - Most Recent Year

Maintaining a safe and orderly environment in order to maximize student learning is a top priority of Alpha Charter School. The school is in compliance with all laws, rules and regulations pertaining to hazardous materials and state safety standards. The school plan, developed in conjunction with local law enforcement and fire departments, includes steps for ensuring student and staff safety during or following an emergency or local disaster. Students receive regular training in fire, intruder, natural disaster and earthquake events. Emergency drills are conducted on a monthly basis. The safety plan is revised and implemented annually and is on file in the Principal's office. Alpha boasts up-to date restroom facilities, American Disabilities Act compliance and an aesthetically pleasing environment in which to learn and work. We view the concept of discipline as an integral part of the learning process. In the context, we teach and model pro-social behavior by treating children with respect and dignity and by offering a quality curriculum to keep all students engaged in learning. Discipline problems are few and minor. The School Safety Plan was last reviewed, updated, and discussed with the school faculty in July, 2015.
